

Academic Learning Assistant

Position Description

Responsible to: Syndicate Leader, Primary

Allocation: Permanent, Fulltime 37.5 hours per week.

The Academic Learning Assistant plays a vital role in enhancing the overall academic experience for students. This position works with groups during class and involves assistance with differentiation of learning in the Primary classroom.

The role requires:

- Commitment to students, and a consistent, compassionate approach to their needs.
- An understanding of the curriculum or willingness to develop understanding.
- A commitment to further ongoing development and professional training.

Key Tasks include:

- Working with small groups to support differentiated learning programmes.
- Collaboration with teaching staff to incorporate innovative teaching methods and technologies.
- Support classroom instruction by leading group discussions and facilitating student engagement.
- Act as a resource for students in understanding their learning.

Core Outcomes:

1. Students will make exceptional progress.
2. Students have an outstanding learning experience.
3. Parents feel that their children are supported in a coherent and cohesive manner.

Keys skills and qualifications:

- Strong communication and interpersonal skills.
- Attention to detail with strong organisational skills.
- Ability to work as part of a team and autonomously as directed by the classroom Teacher.
- Commitment to maintaining a safe and inclusive learning environment.
- Previous experience of working in a classroom a bonus.
